How has flight changed since the Wright Brothers?

Children have learnt about the Victorian era and technology during this time.

The first helicopter flight takes place

Key knowledge		Chronology	
<ul> <li>The Wright brothers started by making kites and gliders. They flew in their gliders in 1902 but the gliders could only fly if there was a lot of wind.</li> <li>In 1903 the Wright brothers attached an engine and propeller to a glider. Their first successful flight lasted 12 seconds! This was the first airplane.</li> <li>Hilda Hewlett (1864-1943) 1st UK woman to have a pilot's licence.</li> </ul>		Otto Lilienthal designs, builds and flies	
		the first glider	
		First flight in an aeroplane is made by	
		Orville Wright in North Carolina	
		The third Wright Flyer stays in the air for	
		up to 39 minutes at a time	
		Louis Bleriot becomes the first person to	
		fly across the English Channel	
<ul> <li>Amy Johnson was born in England over 100 years ago (1903-disappeared 1941)</li> <li>1<sup>st</sup> female pilot to fly solo from UK to Australia</li> <li>It took her 19 days to get to Australia</li> <li>Airplanes have got better at flying over time and they are used to transport passengers and goods. Today, airplanes can travel faster than the speed of sound and can fly long distances without needing to refuel.</li> </ul>	1914-	Aeroplanes are used during the First	
	1918	World War	
	1919	The first daily flight carrying passengers	
		from London to Paris begins	
	1924	The first aircraft circumnavigates the	
		globe in 175 days	
	1932	Amelia Earhart is the first woman to fly	
		solo and non-stop across the Atlantic	
		Ocean	
	1935	Amelia Earhart becomes the first person	
		to fly solo across the Pacific Ocean	

## Historical significance and understanding **Chronological understanding** To learn about significant individuals • Order dates from earliest to latest on a simple timeline Talk about why a person was important • Sequence 3 or 4 artefacts from distinctly different Talk about why the event was important and periods of time what happened **Historical interpretation** • Identify ways in which the past is represented **Historical enquiry** Ask and answer questions Understand some ways we find out about the past • Find answers to simple questions about the past from sources of information

1939
