

RECEPTION

RECEPTION

Coming up next week...31/03/2025

The children have been enjoying the bursts of spring weather and exploring the buds and flowers beginning to grow on the field during Field Friday. Thank you for remembering to provide your child with wellies and please do remember to send your child to school with a filled water bottle. Have a good week!

Please continue bringing in any junk modelling. Smaller boxes, egg boxes, milk lids, toilet roll tubes, plastic bottles etc are more useful than very large boxes!

Learning in school:

Theme for the Term: Tell Us a Story!

We are going to looking at stories and what is in them. Our focus will be on traditional tales and in particular, Jack and the Beanstalk.

Theme for the Week:

This week the children will become Storytime Stars, making their own books on a topic of their choice and reading their stories to the class. In addition, we will be reading the Easter Story, discussing why Easter is important to Christian's and exploring how they celebrate it. The pupils will be designing and making their own Easter cards to give to someone who is special to them.

In PHSE we will be continuing our learning about money and what we use it for and how to use it well.

Phonics:

This week in Phonics, we will be reviewing the Phase 3 sounds: 'ai' 'ee' 'igh' 'oa' 'oo' 'oo' 'ur' 'er' 'ow'. We will be practising blending the sounds together to read and reviewing the tricky words we have learnt so far.

Maths:

In maths this week, we will be exploring the composition of numbers up to 10 using 3 parts (e.g. $3+2+5=10$). Children will begin to understand that there can be 2 or more parts that make a whole. In addition, we will be learning what it means to double a number and exploring doubles up to 10.

Additional notes and reminders

Homework

Maths homework can be found in the blue homework folders in your child's bookbag.

Please pick a game to play and write notes on how your child is getting on.

Homework folders will be collected in the same day that sounds folders are collected in.

Please continue reading with your child as often as you can and practising the sounds in their sound folder.

Class email addresses:

turtles@mead.surrey.sch.uk

starfish@mead.surrey.sch.uk

jellyfish@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
