NURSERY

Coming up week beginning 22.4.25

Sunflowers

Your child will come home with a sunflower to look after over Easter. Please help your child look after it and don't forget to send photos in to show us how it has grown!

Pet visits

Next half term our topic will be all about growing and looking after living things. If you have a pet that is suitable and happy for a visit to Nursery please let Mrs Pioli know.

Nursery Library

From Monday 22nd April we will set up a little library at pick up time for you to choose a book with your child each week.

There will be a signing in/out sheet for you to fill in so we can keep track of which books are being loaned.

Theme for the Term: Ee-i-ee-i-o

The focus this half term will focus on investigating things that grow and change, caring and respecting living things and exploring life cycles of plants and animals.

Theme for the week: The Odd Egg

Literacy and Understanding the World

We will explore what might be inside the egg in this story by brainstorming what we know about eggs.

We will make observations about the sunflowers we have been caring for over at school. We will notice how they have changed and how Sam's sunflowers change over time.

Physical development

We will start exploring gymnastics this term- balancing, jumping and moving in different ways, learning how to control our bodies carefully when moving.

Maths

We will be focusing on matching numerals to quantity this week through playing games such as skittles and '10 Nice Things'.

Poetry basket

I have a little frog

I have a little frog,

His name is Tiny Tim,

I put him in the bathtub,

To see if he could swim.

He drank up all the water,

And gobbled all the soap.

And when he tried to talk,

There were bubbles in his throat

Wellie Wednesday

We will be taking our art resources to the field this week, recoding the signs of spring through drawing and painting.

Here are a few reminders to help with the daily running of the Nursery.

What to bring into Nursery

Please ensure your child has the following with them every day:

- Clearly named water bottle (a familiar sticker might be useful). This must contain only water please, not juice.
- Clearly named book bag- it is helpful for the book bag to have one keyring on so that your child is able to recognise the book bag.
- Clearly named coat.

Your child does not need to bring in an additional rucksack with fruit or spare clothes (unless we have a separate arrangement that has been agreed). It is important that your child is able to be independent from the start, so less items to remember will help!

Lunchboxes

If your child is in Emperor Penguins please remember to pack a healthy, manageable lunch for your child to eat. If there is too much in their lunchbox, they can become over faced.

Grapes- please cut these in half, lengthwise for safety.

NUT FREE SCHOOL! At The Mead we are a nut free school. There are several children with nut allergies in Nursery. It is of uttermost

importance that lunchboxes contain no nuts. This also includes foods that contain sesame seeds such as hummus or crackers with seeds.

Uniform

The nursery children look very smart in their new school uniform!

- Skirts and dresses are not part of our school uniform as they can be dangerous when climbing.
- Please make sure that your child wears shoes safe to climbing- trainers or plimsolls are perfect (only Velcro please!)
- Please also remember no jewellery is allowed as part of our school uniform policy. This includes earrings.
- Please name everything!

Request!

We have enjoyed junk modelling and will be adding this to our continuous provision- therefore we will always need lots of 'junk!'. Boxes, bottle tops, plastic containers, etc Please make sure none of the packaging has contained nuts!

UNIFORM

All children are required to wear our nursery uniform. Children can dress in the uniform listed in which they feel most comfortable.
