

RECEPTION

RECEPTION

Coming up next week...18/11/2024

Thank you for all the photographs that we have received so far of your child celebrating an event. This weekend is the last chance to email over photos as we will be sharing them with the children from Monday (see class emails addresses at end of this letter).

Learning in school:

Theme for the Term: Fabulous Festivals!

During this topic we will learning about how people and communities celebrate in different ways and why this is important to them.

Theme for the week: This week we will be sharing our photographs of celebrations and discussing our experiences with the class. There is a special surprise coming on Wednesday...

Phonics

In phonics this week, we will be learning the sound **z** and the digraphs **qu** and **ch**. Our new tricky words will be **go**, **no**, **to** and **into**. We will also be revisiting some previously learnt tricky words: **and**, **has**, **his** and **her**.

Maths:

This week in maths, we will be learning all about the numbers 4 and 5. We will be exploring the composition of these numbers and building our confidence recognising the numbers in subitising. We will be using lots of fun practical activities and games.

Additional notes and reminders

Please remember to put your child's library book in their book bag on their class library day. Library days are as follows:

- ✓ Turtles: Tuesday

- ✓ Starfish: Thursday
- ✓ Jellyfish: Monday

Class email addresses:

turtles@mead.surrey.sch.uk

starfish@mead.surrey.sch.uk

jellyfish@mead.surrey.sch.uk

Please note that as the week progresses it is sometimes necessary to change what is planned to meet the learning needs of the children and therefore changes to the above may occur.
